**MIDWEST** Preliminary majority prices for next week's deliveries into the Chicago area unchanged from Monday's final. Whole broiler/fryer trade sentiment closed out the week generally steady on a mixed undertone. Movement was slightly elevated going into weekend and noted as moderate overall, instances into some retail features, fast food and catering. Floor stocks were generally clean and weights desirable. Supplies of leg cuts were very limited, and wings, tenders and breast cuts varied from plant to plant, but were adequate to fully adequate for the light trade call. The market tone was fully steady to firm on leg items, barely steady to weak on boneless/skinless breast and wings, and steady on the balance of parts.
